TURN AN IDEA INTO REALITY

We are always looking for new ideas to give a 'above and beyond' service to our patients, their families, carers and staff in the trust.

As a new member of staff, you may have new ideas that could have a positive impact.

Heres some examples:

- Wall art, physiotherapy equipment and chairs were purchased for the Wellness room on Ward 2. All equipment is over and above what the NHS is able to usually provide.
- Young Adult rooms have been implemented on Ward 1, 2 and 4 including Smart TV's and game stations to help young patients feel more at home.
- Mindfulness 'Train the trainer' sessions were rolled out to staff across the organisation to help ensure we can give Mindfulness sessions to staff whenever we need to.

To get involved, all you need to do is:

- Contact the Fundraising Team and obtain a 'Bid for funds application form'
- Provide evidence that the items you are bidding for will benefit those who visit us
- Evidence that this is something additional to the NHS standard or something which is not normally funded through NHS budgets (if you're not sure, just ask!)

OUR DONATION PROCESS

Please take note of this process. You will be required to take action should a patient or member of the public wish to donate.

PENNIES FROM HEAVEN

An easy, simple way to support an enhanced experience for patients.

What is Pennies from Heaven?

- Quite simply, your net salary is rounded down to the nearest pound with the spare pennies donated to charity.
- The Royal Orthopaedic Hospital NHS Foundation Trust has chosen to donate its Pennies from Heaven to our Trust Charity.
- The most you can give per payslip is £0.99.
- All donations are eligible for gift aid which means an additional 28% is added by the government at no additional cost to you.

All you have to do is complete the application form and the extra few pennies will be automatically deducted from your payslip. It is a simple, tax efficient and regular way for you to participate in charitable giving.

How do I sign up?

Please complete an application form and send to:

University Hospitals Birmingham NHS Foundation Trust,
Finance Directorate,
PO Box 881,
Selly Oak,
Birmingham.
B29 6JS.

Further information can be found by contacting HR.

For more information on the Pennies from Heaven scheme in the NHS and a full list of questions and answers please go to www.penniesfromheaven.co.uk

I donate 38p
a month

If every member of staff donated 38p a month, we'd raise an extra £4,560 per year

HOW WE SUPPORT YOU

We support the following to ensure your learning and welfare is prioritised:

- **The Annual Staff Awards Ceremony**

We fund the annual ceremony to enable staff to be recognised for their hard work each year.

- **Investment in Learning**

With our help, you have access to apply for additional funding for training to excel in your job role. This may include an Access to Nursing course.

- **Seasonal Celebrations**

We support seasonal celebrations to make sure our staff feel valued. These include:

- National days such as Nurses Day, World Radiographer Day ect.
- Christmas celebrations

- **Wellbeing Initiatives**

Supporting your own mental and physical wellbeing at work. We support weekly mindfulness sessions, mental health first aid training and help to give access to talking therapies for our workforce.
